2. **Apologies:**
   Jill Bell, Gillian Lyons

3. **Confirmation of previous minutes:**

   Previous minutes approved and confirmed by Kerryn Morrison seconded by Sean Kendall.

4. **Business Arising:**
   a. **Signage around the school**
      Sign post arms are at the school waiting to be painted. Once they are painted the post will be put up and the arms attached
   
   b. **Recycle bins**
      Remondis are providing us with a quote.
   
   c. **Dollarmite Accounts with Commonwealth Bank**
      Note has not gone out to parents yet, it was sent through to office and Robert will chase up and arrange to have it sent out.
   
   d. **School disco**
      Update provided on the disco. Fruit, sausages and bread to be purchased on the day of the disco. The lolly bags have been packed and ready to hand to the parents at the end of each session as they collect their children. Volunteers have been rostered.

   There was confusion as to what Glamour Pyjama meant. It was the choice of the SRC for the theme, students have been advised that they can wear pyjamas or dressy clothes. The glamour component of the disco will include the red carpet and the photos taken as they enter the hall. A decision was made to print the photos over the weekend after the disco and the students can collect them during the week at school.

   e. **School Music Program**
      Recorders and music stands have been ordered and the recorder group has started.

   f. **Red food days available for the canteen**
      The P&C requested that a day a term be allocated for the P&C/Canteen to have one red food day each term. The P&C will select the day for each term which will be put into next year’s calendar early on.

   g. **Stage Three camp reward**
      Prior to the camp the P&C had made the offer of a reward for students who had the cleanest room over camp. It was decided that all students deserved the reward.

      On Tuesday 16 September the P&C will host the camp reward, organised by Sue McCartney. All students in Stage Three will be invited to attend the Ice cream sundae buffet, whether they attended the camp or not. Ice cream, yoghurt, fruit and toppings will be provided.
b. Bunnings BBQ – 7 December 2014
We have been sent an email to advise we have been allocated another date for a BBQ at Bunnings. We need to put this in the school calendar and look for volunteers closer to the date. Patty Rose has been forwarded the email.

5. General Business:
   a. Ants in canteen
   Ants were found in the canteen, inside the coffee machine. The coffee machine had to be thrown out. The pest inspectors will be in on Wednesday to determine if there is an issue and what will need to be done.

   b. Food Options for canteen
   A question was raised around different variety of food in the canteen to meet our Green Food ratings. We are currently in a situation where the market is still building to provide good tasting options that still meet the requirements for salt, sugar, fat, etc. We are members of the Canteen Association which provides information on new options as they become available.

   A suggestion was made that we could cook regularly for the canteen. We would be very happy for this to happen, however it must occur within the guidelines set, which includes needing to cook the food in the canteen. Our volunteers are often too busy to cook as well as do the other daily tasks. This is not something that we are able to do on a regular basis at the moment.

   c. Farmers Direct
   We received our first donation of $70. We will need to promote this in the Tallong early next term and remind people that if they are ordering through Farmers Direct, that they can register as a Lindsay Park Family and Farmers Direct will donate to the school an amount based on the sales they receive from those registered people.

   d. Lifeline Book Fair
   The Lifeline Book Fair is mid-October. We can donate the books left from the school Fete to Lifeline. Diane Harland volunteered to take the books.

   e. Tubs for senior class lunches
   A question was asked whether the senior classes needed tubs to store their lunches in, similar to the junior classes. Mr Jones advised that the senior students put their lunches back in their bags, which are hanging on the hooks on the wall. Tubs are not required at the moment. Current issue is with the bad weather we have had recently that bags have had to go back on the steps. We will find out about the grant for the awning towards the end of the year, which will solve this problem.
