c. Santa Discussion
Concern was raised at the meeting about a staff member commenting to a few students that Santa is not real. This item has been discussed with the parent of the child, the teacher involved and the Principal, Mr Cusack.
Discussion at the meeting included:
- school policy regarding these types of matters and how the issues are addressed
- how can parents bring these matters to the schools attention – speak directly with the teacher or contact the Principal to discuss
- how quickly items can be shared on social media, even when posted on what people perceive as private or restricted sites

At Lindsay Park, we celebrate all aspects of Christmas, from the Nativity play to Santa Post to Christmas Carols.
Mr Cusack advised that he had spoken with the parent and teacher involved and that the matter has been resolved.
